*"I am always delighted to partner with MrWatchMaster as they embrace the values which make the watch industry so unique and beautiful: passion and craftsmanship. They have great attention to detail and create exceptional content while always highlighting the people behind the watches and, therefore, bringing the watch industry to life." **Aurélie Picaud, Team Lead Product Strategy Classics, IWC Schaffhausen***

## THE GREAT STORIES BEHIND THE BRANDS

---

- We go 'behind the brands' to hear from and share the views of the 'influencers' of the watch world
- We pride ourselves on bringing our audience the highest quality content
- We focus on the leading luxury brands that make up a significant segment of the watch industry
- We will always be transparent and share our honest thoughts and opinions across the board

*"I'm a great fan of MrWatchMaster as they are as passionate about their content as we are about our watches. We love the support they give Bamford Watch Department and Bamford London. We always enjoy seeing them and sharing the latest news and discussing all things horological. Their honesty and transparency when presenting their views and opinions is always great to see."*  
*George Bamford, Founder, Bamford Watch Company*

MrWatchMaster – Talking about watches

A close-up photograph of a man's face, which is framed by several hands. The man has light-colored eyes and is looking directly at the camera. He is wearing a blue denim shirt. On his left wrist, a Rolex Submariner watch with a black dial and a metal bracelet is visible. The hands framing his face are positioned around his head, with fingers pointing towards his eyes and forehead. The background is a solid light blue color.
